PRESIDENT'S REPORT:

PROGRAM:

Andy Evans - AVX (Audio Video Excellence) Andy was rear ended on the way to the meeting so he showed up a little late. He started the program by talking about his family and cited them as his reasons for getting out of bed in the morning. Andy has (1) boy and (1) girl and his daughter is the favorite. AVX was one of the first companies on the market in home technology systems. Company has increased from 34% to 47% profit margins over the last year. Home & Residential Side: Automation, Sounds, Lighting, Shades, Home Theaters, Security Systems. They offer a broad range of home technology systems. Commercial & Retail: Collaboration Spaces, Digital Signage, Video Walls, Video Conferencing, Lighting control, and Sound Masking. They specialize in full custom build outs and take the time to draw out and map every single project to ensure perfection is delivered tot he client each and every time. Andy empahsized that they work with top dollar/high end clientele who are willing to spend lots of money to bring their visions to life. Andy gave an excellent program.
