PROGRAM: Danny Raymond - Servpro Birmingham
Danny joined the club in 2019. He was born in Birmingham, AL and went to Hueytown High School and UAB. He graduated UAB with a degree in Criminal Justice. It was his dream to be a police officer, and he worked for The Birmingham Police Department for a long time. Danny was unfortunately injured in the line of duty back in 2006, responding to a call in downtown Birmingham following the Magic City Classic. He was stabbed multiple times pursuing a suspect involved in a Domestic Violence Call. Danny told one of the most heroic stories I have ever heard in person. Unfortunately, due to his injuries, he was officially retired by the BPD in 2008. HE thanks God every day for the place he is in today. Danny started at ServPro Birmingham in 2019. He was promoted to Operations Manager at the #3 ranked ServPro location. ServPro responds to emergency situations dealing w/ clean up, flooding, and disaster response. This includes flooding, mold, burst toilets, fire damages, etc. They take the damage down to the studs, clean the damage, and repair. How can we help Danny? Referrals and Google Reviews. Danny opened up the CSC Floor for a detailed Q&A. Danny gave an unbelievable and whole hearted program.
