Joseph spoke on his beginning as a copier salesman and his life long dedication to hard work. He spoke on his restaurant The Filling Station and how it came to be what it is today. He has hopes for future locations once a few debts are gone from under him with TFS. Joseph's meeting was hijacked by associate member John Rogers who got up at the end to assist Habshey with the closeout. John Rogers ended with a heartwarming story about Joseph's kindness and his lifelong respect for him.
