**PROGRAM:** Tim Hightower - Southern Carpet Hardwood & Tile  
Tim has not given the program in over 6+ years. He began by emphasizing to the younger members that "you get out of this club what you put into this club". He listed a group of guys that were in the club when he began his membership that are all dead and gone now. He wishes he could have had one last sit down with all of them just to hear them speak. Tim grew up in Birmingham and went to West End High School. He grew up in the Church and left when he was 18, but still has those values in him. Tim has (2) grandchildren and loves his family more than anything in the world. He got into the Flooring business, and started SCHAT in 1980 and has not looked back since. He loves everyday he is at work and emphasized that if you love what you do, you never work a day in your life. Tim gave a detailed powerpoint on some of his companies biggest and best projects, and showcased some of his employees. Tim is one of the most well respected members of the CSC and gave an excellent program. Sad for those who missed it.
