PROGRAM: Sam Mosilino - Wishes Travel. Sam grew up outside Chicago, IL with obvious Mafia Ties. He joked that his first sales job was convincing his wife to marry him almost 20 years ago. They have 2 children together (Ryan & Ragen) who are both in High School. He has degrees in economics and finance. He got his first job in sales in the City of Houston with a company called Invesco. He thanked Andy Evans for introducing him to the club almost 2 years ago. He loved the core values of our club from the jump. In 2019, he was let go from Invesco with a large severance package that allowed him to be Mr. Mom and find his passion. He decided that Family Travel is what inspired him the most. Traveling and creating memories is what Sam loves the most in life. His wife started Wishes Travel back in 2012 with not a lot of experience or knowledge of what the business would entail. Wishes Travel is a boutique Agency based in Birmingham and has become the best reviewed travel agency in city. They now have over 22 "Genies (Agents) ready to plan your magical vacation getaway. "Focus your work on the parts of your business you know will be there" - Wise advice sam got from an email during COVID times. Sam handles the Romance Travel, and his wife handles the Family Travel side of the business. Sam feels that maximizing their experience is what is most important about a custom vacation. "Travel not to escape life, but so that life does not escape you". Same has visited over 29 countries and plans to visit over 100 before he dies. Sam gave an excellent program and opened the floor for a small Q&A at the end. Well done Sam.
