PROGRAM:

Bill Miller - Alabama Sports Hall of Fame
Thanks to Joseph Habshey for inviting Bill to speak to us. Bill mentioned the fact that Joseph Habshey was named the 2022 Volunteer Of The Year. Bill started by saying that volunteering changed his career path. Volunteering is the only path where you receive thank you's and appreciation on a regular basis. Volunteering is the life-blood of our country. Bill stuck to the script throughout his speech. Volunteering for your community is one of the most rewarding things you can do. Birmingham is known for it's hospitality. Find something that inspires you to get involved. "It is Miller Time, All The Time." "Everyday I wake up, I think about what I can do to volunteer." If anyone in the club is interested in becoming a volunteer, contact Bill Miller today. Thanked the CSC floor for the opportunity to speak to us today. Opened the CSC Floor for a Q&A. Bill noted that he has met several famous people including Muhammed Ali & Former President, George H.W. Bush.
