PROGRAM: Eli Gold – Eli Gold Sports Broadcasting

Pleasure to see Gus Hogue in the crowd. Been a tough few years for Eli. He had cancer and it was rough on him. He found motivation in his job at the University of Alabama. That unfortunately did not work out as he was let go earlier this year. He was out of work for only 2 hours before JSU called and gave him a job. Now he is back and life is wonderful. He feels great and ready to get to work. He doesn't know anything about Kalen Deboer. He has never met the man, but is confident he will do a great job. Eli opened the door for a detailed Q&A as that's what people want.

SERGEANT AT ARMS: James Lucas was light on crime. It was a well-behaved group.
