(Alex Lott was 2 Years Old). He has never been dissapointed by any member of this great club and trusts every man in this room. Contri Bro's was started by his uncle in 1974. Mike bought 1/3 of the business in the year 2000, and the other 2/3 of the business in 2013. He is now the 100% owner of Contri Bro's and is not sure what the future holds but loves what he is doing. Contri Bro's is a gift basket business. They do gift baskets of all kinds (Gifts, Wine, Cheese, Steaks, Turkeys, Hams, Flowers, Chocolates, and Lots More). They are also doing a lot of re-pack business now. Mike is very proud of his business and the work that they do. He recently went into the wholesale side of the business with "Tri-Con".
